About us

A Lumago Investments is a company 100% angolan, founded in 2015, situated in Luanda, at Pedro Felix Machado N39 street, NIF5417324345, dedicated to procurement and logistics services in different industrial sectors predominantly in oil and gas one, always aiming to satisfy our customers satisfaction

For LUMAGO, procurement isn't just about processes, products and numbers. We promote a culture of ownership among our people, who are trusted to get on with the job on your behalf.

We're proud of how we serve clients. We're always looking for new ways to add value and routinely introduce new technological solutions to make service delivery even simpler, smoother, faster.

Our teams are well used to overcoming your toughest challenges: we relish every opportunity to repay the faith our customers place in us.

We thrive in the daily diversity of our work, no matter your requirements.

When it comes to procurement, we get it. Adding value, innovation and efficiency at every turn in your supply chain.
